Bennelong Pt. to Broken Hill Bash – 16th to 26th August 2009

HI EVERYONE

The New Year has now kicked in and for most of us we are back at work.

I trust you all had a wonderful Festive Season and you are re-charged for the year ahead of us.

I expect with the global economy issue surrounding us we are going to face a tougher time with our fundraising this year. Always remember we are here to help in anyway we can so please call Karen or myself at anytime.

The hardest thing to face us during the past six months is the increase in requests for help from the families and organisations that help our special needs children. And if we are the ones who have to say no to them, due to lack of funds, then – in most cases – we are the last door they get to knock on. So if we can't help them who can?

GREAT AUSTRALIA DAY NEWS

Well I was delighted to speak with Ian "Biggles" Bignall on Australia Day just after he had been awarded the Manilla Citizen of the Year Award. Biggles, as many of you would know, does the Bash surveys with me and is also OV4 on the Bash looking after our "fun stop" events and many other tasks.

I've stayed many times with Biggles, and wife, Dianne "Possum" Bignall in Manilla after a survey's completion when we do our notes. And as you walk around town with him he is so well known and respected for the work he does in his town. He is the walking Historical Society of the place and it was so good to hear of his award. I reckon he should win it every year!!!!

I have a friend in Manilla, who enters our 4WD event, and who was the Chair of the Manilla Organising Committee and she provided me with the nomination text for Biggles' award;

“IAN BIGNALL

Ian has been nominated for his varied community service to Manilla through a number of local organisations as well as for his volunteer work with Variety NSW.

Ian is President of the Manilla Historical Society and a member of the Tourism committee where he helped establish the Visitor Information Centre.

He is President of the Manilla Legacy and a welfare officer of this organisation. Being a Vietnam veteran Ian is a member of the RSL Sub-Branch, is the current flag bearer and looks after the Wall of Remembrance at the cemetery.

Ian is also a member of the Manilla Lions Club, a member and publicity officer for the Manilla Community Development Committee and the Manilla Matters Sub-Committee. He writes a weekly historical article for the Manilla Express and being a member of the Vintage Machinery group he is also a keen restorer of machinery.

For many years Ian has been involved with the GS Kidd Special School in Gunnedah. Ian has travelled many thousands of kilometres as a Volunteer Survey officer for Variety NSW's annual Variety Bash which has raised millions of dollars for Children's Charities."

Congratulations Biggles, we are all very proud of you and your award.

Biggles is pictured receiving his award from the Manilla Australia Day Ambassador, Margy Osborn, who is the CEO of the Australian Retailers Association plus Chairman of the 2009 World Masters Games Organising Committee.

HOUSEKEEPING FROM KAREN LAHOOD

Hi everyone and a Happy New Year to you all.

As we start to ramp up the work load I'd like to remind you all about cheques coming in and a new way of getting your money to us.

1. Donation cheques are starting to come in at a steady pace which is fantastic!! A reminder that you need to put your car number on the back of the cheque so that the money gets allocated to your car rather than somebody elses!
2. Our auditors were in at the end of last year stressing the importance of receiving address details for the people donating towards the bash. If you can keep this in mind when sending in your money and provide us with addresses where you can.
3. And remember, if you're near a Westpac Bank - you can bank any of your donor cheques and cash directly into our bank account. This will save you having to put them in the post and will be great for us. If you do decide to bank directly into our account, just send me an email or fax with the details of when it was banked/donor name/address/amount(s) deposited. The bank account for future reference is:
 Bank: Westpac
 A/c name: Variety, The Children's Charity NSW - Gift Fund
 BSB: 032020
 A/c #: 208569

Anytime you can help us with streamlining the cash collection we really would appreciate it. Thanks.

BASH INFORMATION NIGHT aka PN

Our first PN is Wednesday night, February 18th at Gladesville RSL from 6pm on. These information nights are good to attend, especially if you are new to Bashing, so you can meet fellow entrants and find out ways to improve your car and share fundraising ideas with each other. A full list of the PNs and other Bash Activities can be found at the back of this Bulletin.

2009 VARIETY 4WD EXPERIENCE

Details were release recently for the 2009 Variety 4WD Experience. Yes a small name change but still a big event for us! This year we have called it Surf to Turf and we'll leave from Narooma **SURF** Club, following breakfast, on Monday 9th November and finish at Canberra **TURF** Club on Saturday 14th. We have gone an extra day this year and will spend three days in Victoria travelling the High Country and three in NSW.

There are some great water crossings and hill climbs planned with every day a different experience (oh, nice expression) as we travel through some amazing country with spectacular views in both states.

You can experience the log cabin that banjo Patterson visited and spoke with Jack Riley in prior to penning his famous The Man from Snowy River poem. Jack was his motivation behind the writing of the poem.

If you are interested in more information please click on this link and it will take you directly to the 4WD Experience page on our web site.

WORKING WITH CHILDREN DECLARATION

As previously mentioned, it was agreed by the Bash Committee that everyone who has direct access to children through their association with Variety, must now sign a Working with Children Declaration. This includes volunteers and participants who are involved in **ALL** of Variety's motoring events.

While this form is not a legal requirement in NSW - Variety, the Children's Charity would like to implement this process in case any incidents occur in the future.

The form can be found here http://www.varietynsw.org.au/media/docs/Working_with_Children.pdf and must be completed by every person involved in Variety's motoring events and returned (double sided if possible) with photo ID.

If you have any questions about the Form, please contact Karen on 9719 1016.

I'm pleased to say that these forms have been coming in and we thank you for your assistance with this part of the paper work

HOT STARS AND COOL JAZZ!

When we get to Parkes on our first night of the Bash we will be entertained by Fred Watson a world renowned Astronomer. It is the Year of the Astronomer in 2009 so how good it will be to start off our Bash in this way.

Now if you'd like to see Fred ahead of this time he will be performing in February with James Morrison, the Jazz Musician Extraordinaire! Take a trip through our heavens first hand with Fred Watson and reflect on it further with great jazz standards like "Fly Me to the Moon" and "Stella by Starlight."

Its 400 years after Galileo first pointed his telescope to the skies, and as I mentioned, we celebrate the International Year of Astronomy in 2009 so this should be an evening that will "eclipse" all others!

Where: Verbrugghen Hall @ Sydney Conservatory of Music, Macquarie Street, Sydney

When: 8pm 20th February, 2009

Tickets: \$89 each

BASHERS SNAPPED OVERSEAS

Basher, John Dennis from car 20, found himself on Christmas Eve at the bottom of the Grand Canyon Nevada, USA – note the snow on the surrounding hills - the entire rim was covered he tells us. John also let us know that he found Variety was heavily supported around Hollywood and Universal Studios/ Universal City. Nice one with the flag John.

Remember if you have had your photograph taken, preferably in Bash clobber, then send it in to us for publication.

PHOTOS TO BE PICKED UP

Talking about photos, even this far past the Bash we still have photos and DVDs not picked up. Some of you I have even seen at Bash Nights and you didn't take them. Anyhow, these are the cars that still haven't picked up; .02, 003, 007, 20, 22, 47, 49, 54, 67, 120, 151, 154, 162, 200, 745, 800, 2020, 5050 and 6282.

As they are bulky we can mail them to you if you ring Karen with your credit card number so it can be charged back to you when posted. Or you could organise someone to pick them up for you.

JOKE OF THE MONTH

Dan was a single guy living at home with his father and working in the family business.

When he found out he was going to inherit a fortune when his sickly father died, he decided he needed a wife with which to share his fortune.

One evening at an investment meeting he spotted the most beautiful woman he had ever seen. Her natural beauty took his breath away. "I may look like just an ordinary man," he said to her, but in just a few years, my father will die, and I'll inherit \$200 million."

Impressed, the woman obtained his business card and three days later, she became his stepmother.

.....Women are so much better at financial planning than men.....

BASHERS WITH CELEBRITIES PHOTOS

Nice not to be hounded by Lavern and Shirley for a change, but now our Chairman, Mr Peter Hebbes AM, seems to be everywhere!

Last Bulletin it was from the Bali Yacht Club and this issue we find him at the Debonair's Luncheon, a fundraising luncheon for music industry folk. Along with Jack Cannons, I was lucky enough to be invited by Peter for a Christmas drink together with a truck load of his celebrity friends.

And here is just one of them, Rolf Harris. That's Rolf wearing the British Paints colour chart as a tie!!!! Trust British Paints, sure can!!!!!!

LOGOS

The new 2009 logos are now available for your use. Remember, you can only use Bash logos on any of your printing or promotional material, ***YOU CAN NOT*** use the Variety logo.

STUDY OF THE MONTH

A 2008 study found that the average Australian walks about 900 miles a year. Another study found that the average Australian drinks 22 gallons of beer a year.

That means the average Australian gets about 41 miles per gallon.

Bloody good value that!

CHANGE OF YEAR MODEL ELIGIBILITY OF BASH CARS

Repeating, that after a fair bit of deliberation between the members of the Bash Committee, it was decided to lift the allowable year model up to 1972. That means cars that were made in 1972 or before. This will be decided on compliance plates also as the question of "run on models" was brought up. Having said that, take the Holden HQ for example, it was launched in July 1971 and was manufactured for three years before a new model was introduced. We would consider acceptable a HQ built in 1973 as it is the same model, not a new one such as the next model along, the HJ. By the way 485,650 HQ Holdens were built, making it the most popular Holden ever built.

Similarly for the ZF Fairlane built in April 1972, we'd accept that model up until the new ZG was built in November 1973.

If in doubt, ring me, so embarrassment can be saved for both you and our officials who have been warned to stop cars not conforming to the new year models from coming in.

FAMOUS QUOTES BY FAMOUS PEOPLE

SCHOOL VISITS

Now that the schools have started back we will soon be able to finalise our arrangements with them. Then we can assist those seeking school names.

Remember, at all times the Bash Office controls the Bash. Many things are put into place that may look ad hock, but let me assure you they are not. A lot of effort goes into the planning of these school visits with catering, wish lists, presentations, competitions and giveaways etc.

Should you have an idea or would like to donate something to a school you should ring us first, run it past us and seek approval. At no time, before this action, should any Basher speak to the schools direct. This will alleviate any confusion that may arise from future visits. If in doubt, call me first.

FLASHING LIGHTS

In my 19 years of Bashing one of the standard rules has been no red or blue flashing lights. In the vehicle preparation document we send out to new entrants we stipulate, *"Roof mounted Flashing amber light with rear roof mounted, downward facing reversing amber light."* During and since this Bash we have spoken to some of the entrants who did run these coloured lights. These lights are associated with emergency vehicles and have been outlawed by the Bash. For this reason, police have previously told Bash organisers they are not allowed on civilian cars. At a recent Bash Committee meeting it was discussed at length and it was decided to go back to the original rule of allowing only the orange flashing light. This is for safety and not car decoration. It was also decided that the green and all other coloured lights have to go as well. They are not as strong in penetrating the heavy dust we at times go through and we are concerned about this safety issue. At the end of the day we are Bash cars, not fire trucks, police cars, RTA inspectors etc so they must go. We do not wish to attract unwanted attention to

ourselves and the Bash Committee. Thank you in advance for understanding these rules and your removal of same.

BASH CAR STORAGE

Past Basher, Ian "Mad Nev" Neville is back in town and has storage space for Bash cars at his Seven Hills factory unit. The factory is very secure and could hold up to 10 cars in a very clean environment. Should anyone be interested call him direct for the details and a price. Ian Neville, Mobile 0400 038 903 or Phone 9674 8977.

WHAT DO WE CALL OURSELVES?

From the inception of variety way back in 1928 we were known as the Variety Club. That was changed many years ago to ***Variety, the Children's Charity*** and that's what you should use when discussing Variety or having anything printed. *Please drop the CLUB?!?!*

JOKE OF THE MONTH – ONE FOR THE IRISH

Paddy was a youthful and hard working Irishman at a coastal village in Ireland. Daily he would pole a heavy old punt out to sea then work a heavy iron grapple to bring up the sand oysters which he sold to the local ice works. He was a man of regular habits he always arrived home each day at a certain time. Sadly, Paddy did not realise the heavy grappling was taking a toll on a faulty heart.

One day he failed to come home so his wife contacted the Police to investigate him being missing. They rowed out and found Paddy dead in the punt beside him a huge grapple full of oysters he'd tried to hoist aboard.

Headlines next day in the 'Irish Times Newspaper' said.....

E-MAIL ADDRESS UPDATES

When we send out e-mails we tend to get a lot of kick backs saying various things about "not known at this address" etc. So we recently had a big clean out of our list and now have had calls saying they haven't received the such and such e-mail. Not a problem we put them straight back on. If one of your crew members has changed his/her e-mail address lately please forward their's to me and we'll fix that problem. Conversely, if you have a new member or just someone you want added forward their details to us and we'll add them on.

2009 BASH COFFEE TABLE-YEAR BOOK

HAVE YOU contacted Anthony and Giselle's Zoom Photography and Media about their magnificent 2009 Bash Coffee Table book? It's absolutely magnificent with over 800 images you'll really want to remember from this year's successful Bash. It runs in day to day format so you can remember what happened when and every car has a shot in it. Order direct from Anthony Vallario, our Bash photographer, by ringing 95604111 or visiting his website at www.zoomproductions.com.au/bash07

BUILDING A NEW BASH CAR

As previously mentioned, we are delighted to hear some new Bash cars are being built for this year. Before you go too far into the construction of your cars I urge you to read the Vehicle requirements (PDF) on our website at http://www.varietynsw.org.au/media/docs/Bash_Vehicle_Requirements.pdf. These specifications are for all Variety Bash cars in Australia. Yes we know other copy events may have different rules, regulations, specifications etc, but if you are planning on joining us, the longest running and most successful charity fundraising motoring event, then you need to stick with ours.

That means **NO** V6 Commodore motors in any of our 1972 manufactured vehicles!

GOODS IN KIND OR CONTRA

Following are the existing rules on how "goods in kind" or "contra" works within the Bash system in relation to the entry fee and monies raised. No Bash Entrant/Team is to offer a school, person or individual organisation their product as a Bash "gift" and expect the Bash Office or Variety to agree to contra that product's retail cost against their Bash entry.

The Bash Office must approve in advance of the event the product(s) that the entrant wishes to be considered as contra towards their final figure.

Then - and only then - if accepted - contra arrangements may be considered as counting towards funds raised if:

- A) The first \$8,500.00 is paid in *real cash*, i.e., you cannot contra your entry fees.
- B) Contra dollars are only worth 50% of real dollars, i.e., if the Bash office accepts your offer of contra (and please don't work on the presumption we will) you provide us with an invoice to the correct wholesale value and we will, on acceptance, put 50% of that invoice total to your car number. A receipt can be forwarded to the supplying company for the full, wholesale, value of the goods.
- C) Goods only not services.
- D) If you are entering as a team then before contra dollars are added to your total you must have paid in real dollars the \$8,500 in the multiples of cars in your team, i.e., a two car team needs to have banked \$17,000 before any contra dollars are added.
- E) For the supplier of a final night auction item, 50% of the knockdown price will be added to your following year's entry fee once the minimum entry fee (for that new year) has been paid for in real cash i.e., the current entry fee of \$8,500.
- F) If you purchase an item at a Bash function your purchase price, or any percentage, **WILL NOT** go towards your current or following year(s) entry fee.

PURCHASING AUCTION ITEMS

Before purchasing an item you think you may use as an auction/fundraising/raffle item yourself, at a later date, please always check there is no rider or restrictions on the item. Some companies do not allow for on selling of their gift/prize(s).

LOGOS AND WORDING ON PRINTED ARTICLES

We are re-hashing some old news here but as we are seeing printed invitations and raffle tickets coming across our desks it's time to re-visit the rules of Variety with such articles. Virgin Bashers are signing on so we need to let them know and remind you about the rules of using the Variety logos etc. You can use the Bash logo (as seen on the front page of the Bulletin) with your fundraising literature but you **CANNOT** use **Variety's** logo with the **Heart and Hat**.

The Bash logo is available from the Bash Office and should be used in all fundraising promotions and on all printing and advertising material (raffle tickets included). It is imperative that your car number is the main feature of the title. Then, and only then, should you mention that Variety is the beneficiary of your particular fundraising activity. Here are some examples you can use;

CAR NO. 999
Raising funds for the NSW Variety Bash 2008

CAR NO. 999

Raising funds for Variety's "special children" through the NSW Variety Bash 2008

CAR NO. 999

... an entrant in the NSW Variety Bash 2008

CAR NO. 999

... an entrant in the NSW Variety 2008 Blacktown to Batemans Bay Bash

If in any doubt about this please do not hesitate to contact me at the office as it's extremely important we play to the rules of the land regarding charities. And please don't change its shape either!

WHAT DO WE CALL OURSELVES?

From the inception of Variety way back in 1928 we were known as the Variety Club. That was changed many years ago to Variety, the Children's Charity and that's what you should use when discussing Variety or having anything printed. More importantly, that's what needs to be written on any cheques that are coming in please. Please drop the CLUB?!?!

BEFORE WE GO – CHRISTMAS CRACKER JOKES

Well it's become a bit of a tradition where I collect from the Christmas day dinner table those pathetic cracker or Bon Bon jokes. Here was last Christmas' bad lot;

Q: What did the calculator say to the accountant?

A: You can count on me!

Q: What's sweet and swings through the jungle?

A: Tarzipan

Q: Why was 6 scared of 7?

A: Because 7 8 9.

Q: What comes up when the rain comes down?

A: An umbrella.

Q: What has a pelican got in common with a water company?

A: They both have large bills.

Q: How do you get a mouse to smile?

A: Say "Cheese!"

Q: What insect is musical?

A: A humbug.

Q: What is the difference between a fish and a piano?

A" You can't tuna fish.

Q: What do you call a crate of ducks?

A: A box of quackery.

Q: Where can you find an ocean without water?

A" On a map.

Q: Do you know how to make a bandstand?

A: take away their chairs.

Now you must admit, they are a pretty poor lot!

TIME TO GO

Well that's it for this Bulletin, please feel free to contact Karen or myself at any time if we can assist you in any way in your endeavours to join us on this year's Bash. And remember, we are only a phone call away to help.
